

ELLIOTT WEBB

I am a junior web-developer who has been studying for the past two years, learning a variety of different techniques and skills to utilise when working with clients and other projects.

MY EXPERIENCE

Web Development

Boom Radio

- Designed a new website for the business Boom Radio with a production team of 4.
- Implimented a radio player with full functionality to provide a consistent audio stream for listeners.
- Utilised Wordpress and PHP to complete both the backend and front end content.

MY EDUCATION

Mount Lawley Senior

Highschool

2015-2019

Certificate IV Web-Based Technologies

Northbridge TAFE 2020

Diploma of Website Development

Northbridge TAFE 2021

SKILLS

Over the course of my studies I have developed new skills which have been improved whilst completing my projects.

HTML

CSS

Javascript

PHP

Wordpress
